Project: Gift Selection:

Overview: The Gift Selection will provide you with a selection of the best carefully selected options (gifts for ladies, gifts for men, and home gifts).

As a client I want to be able to do the following:

- choose from the menu:
- List The options.
    - Gift for lady
    - Gift for men
    - Home Gifts
    - Random
- Order.
- Wrap the gift.
- Enter the information to confirm the order.

As a System I want to be able to do the following:

- select a gift.
- Select random gift.
- List the gift.
- Order a gift.
- Confirmed the order.
